This term has brought many changes to Alphabets@Hollymoor Nursery, the new under two's caterpillar room, new staff, extended opening periods but also the company that runs Alphabets, Longbridge Childcare Strategy Group (LCSG) have launched a new website.

The above image is a screenshot of the first page you should see.

At the moment as it's a new site you will need to type the full address, including the www into your search engine. There you will discover the other settings that we run. Alphabets@Hollymoor has its own section.

In Alphabets@Hollymoor's Section you will find all you need to know about the nursery. There are also photos, copies of parent letters and termly newsletters for you to view. There is also an enquiry form for any other parents or carers that are interested in joining us.

If you have any questions please speak to a member of our team.
